Material Safety Data Sheet for DynaCrete.NET **PIM+ Type S**

Emergency Telephones at Vancouver, B.C., Canada: 1-866-751-7746
This MSDS prepared January 01, 2021

Hazard Rating

Product Identification DynaCrete.NET PIM+ Type S

4 - Extreme	Fire	0
3 - High	Health	1
2 - Moderate	Reactivity	0
1 - Slight	Special Hazard	0
0 - Insignificant		

Chemical Identity Information

Proprietary mixture containing no hazardous ingredients.

Physical Data

Appearance: Clear Liquid
Boiling Point: 100 degrees C.
Solubility in Water: Complete

Odor: None
Specific Gravity: 1.094
pH (1% solution) 8.96

Fire and Explosion Data

Flash Point (Test Method): Does not flash
Flammability or Explosive Limits: Not Applicable
Extinguishing Media: Not Applicable

Unusual Fire & Explosion Hazard: None
Special Firefighting Procedures: None

Reactivity

Stability: Stable
Incompatible Materials: Do not mix with other chemicals
Hazardous Decomposition Products: None Known

Conditions to Avoid: None
Hazardous Polymerisation: Will not Occur

Health Hazard Data

VOC content: none

Contains no hazardous materials as defined by OSHA and ACGIH

Eyes: May cause irritation and redness. Flush with cool, clean water for at least 15 minutes. If irritation persists get medical attention.

Skin: May cause redness. Flush with water and follow instructions above.

Ingestion: Non-toxic, may cause gastro-intestinal irritation. Do not induce vomiting. Dilute with large amounts of water and weak vinegar or orange juice. Get medical attention as soon as possible.

Protection information: Rubber gloves and goggles recommended.

Respiratory protection not required. Good ventilation recommended.

Spill or leak procedures: Use absorbent material, sawdust or sand.

For large spills dilute with water before flushing to sewer or drain according to local, provincial or federal regulations.
