

DipMizer™

Available in Blue, Green, Orange and Yellow

- Removes excess teat dip applied by the dip cup
- Easily removed for regular routine cleaning
- Easy cleaning means less risk of contamination
- Retrofits all Ambic (non foaming) dip cups
- Low density bristles remove just enough chemical, but not too much!

**Farmers Farmacy stocks the DipMizer in Blue and Green.
Replacement brushes are also available on their own and are in stock.**
