

## **NEW** BLACK FORTE POWDER FREE DISPOSABLE NITRILE GLOVES

### **BLACK FORTE POWDER FREE DISPOSABLE NITRILE GLOVES**

Black Forte PF Nitrile Gloves are an ideal alternative for those who are allergic to natural rubber latex. Formulated with 100% synthetic nitrile polymer, these gloves are latex free, powder free and odor free. Advance technology used in manufacturing these gloves makes these nitrile gloves softer, stretchier and more flexible than other nitrile gloves for comfortable wear.

The black gloves are designed to mask the toughest of stains. They are ideal for automotive mechanics, beauticians, law enforcement and other customers who require a need to reduce visible stains while making it easier for them to concentrate on the task at hand.
