Aloetouch[®] Gloves

Nitrile Dairy Gloves

coated on inside with Pure
Aloe Vera

lightly
textured
5-mil • 100 per box

Aloetouch is a nitrile glove that gives an aloe treatment with each wearing. Udder prepping is hard on the hands but Aloetouch Gloves keep skin moisturized and conditioned helping to prevent cracks and dryness. Thin, strong nitrile protects skin and acts like a support stocking, stimulating but not tiring the muscles while you work. Gloves are sold in boxes of 100.
