

WEIGH TAPES

Coburn Weight Estimation Tapes are a quick and handy tool for determining feed rations, medication dosages, and optimum times for breeding and marketing. Tape the animal around the heart girth and read the scale on the tape for a close approximation of weight.

HOLSTEIN DAIRY TAPE

This tape employs the latest data from research done at Pennsylvania State University on today's taller, leaner Holstein dairy cows. Tape has inches/lbs. scale on one side and centimeter/kilograms on the other. Instructions and tips are printed in English and Spanish along the length of the tape. For weights from 77 lbs. (34 kgs) to 2125 lbs. (985 kgs.) Bagged with header card.

44555 Dual Scale Bilingual Holstein Weigh Tape, Inches & Centimeters, English & Spanish.

Weight-by-Breed DAIRY COW TAPE

Three separate scales are shown on this tape for Holsteins, Guernseys and Jerseys. Tape shows average weights at 3 mos. and 6 mos. as well as recommended breeding weights and average first calving weights. For weights from 57 lbs (26 kgs) to 1975 lbs. (898 kgs.)

44552 Weight-by-Breed Tape, Inches/English, bagged with header card

44552M Weight-by-Breed Tape, Metric/Bilingual English & Spanish, bulk pack

DAIRY CALF TAPE

Calf Tape includes tips for raising and feeding newborn Holstein Dairy Calves. For calves up to approximately 12 weeks old or 282 lbs. (126 kgs) Tape is 54" (137 cm) long. Bagged with header card.

44556 Dual Scale Holstein Calf Tape, English

HORSE & PONY TAPE

This tape is used to measure height in hands and estimate weight of ponies and horses. The tape is 80" (203 cm) long and weighs up to 1321 lbs. (600 kgs) making it useful for all but the largest draft breeds. Instructions and tips are printed on the tape.

33572 Dual Scale Bilingual Horse & Pony Tape, Inches & Centimeters, English & Spanish

33571 Horse & Pony Tape, Inches/English. Bagged with header card

HOG WEIGH TAPE

Hog Tape estimates weights of hogs from 125 to 260 lbs. Accurate for many breeds, because it estimates weight based on both body length and heart girth. Tape is 60 inches long. Bagged with header card.

22511 Hog Tape, Inches/English

BEEF STOCK TAPES

Improved Beef Stock Tape estimates beef cattle weights according to body condition ranging from thin to very fleshy. One side gives the scale in inches and pounds and the opposite side in centimeters and kilograms. Tape includes instructions and helpful tips. For weights up to 1600 lbs. (734 kgs). Tape is 108 inches (274 cms) long. Bagged with header card.

44551 Improved Beef Stock Tape, Inches & Centimeters/English

44551MS Beef Stock Tape, for 44 to 800 kgs, Metric/Spanish, bulk pack

DAIRY GOAT TAPE

Dual scale Dairy Goat Tape is 54" (137 cms) long and weighs up to 195 lbs. (88 kgs.). Instructions and tips are printed on the tape. Bagged with header card.

44558 Dual Scale Dairy Goat Tape, Centimeters & Inches/English

VEAL WEIGHT TAPE

Veal Tape will estimate weights of veal calves from 65 lbs. to 458 lbs. Bagged with header card.

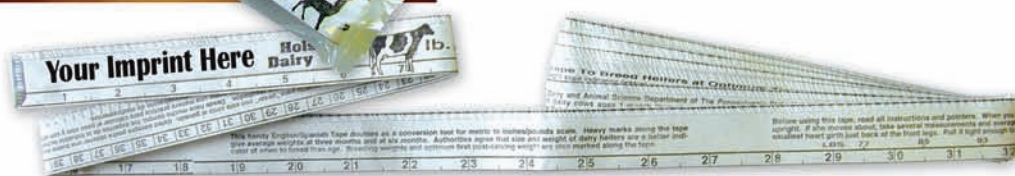

44553 Veal Weigh Tape, Inches/English

Trophy Tape DEER WEIGHT TAPE

Trophy Tape estimates live weight, dressed weight and edible meat of the deer kill. Also useful for measuring antler spread and diameter. For live weights up to 380 lbs. Bagged with header card.

88602 Trophy Tape, Inches/English
