

Picquic® **SIXPAC Plus**
Multi-Screwdriver

Picquic SIXPAC Plus for Farmers depot

This Picquic is for everyone. Designed with a solid handle for maximum comfort and torque, the SIXPAC Plus has no moving parts to break or lose. Storing a bit in the rear of the handle automatically ejects the next bit selected. The lifetime guaranteed aircraft alloy shank with hex bolster fits to a 7/16" wrench to increase torque for stubborn screws. Precision machined, 3" power bits are hardened to stand up to heavy use. The 1/4" hex makes SIXPAC Plus bits ideal for use in drills and impact drivers. **Made in Canada.**

- ✔ Seven 3" long pro-ready hex power bits (R2, R2, R3, P2, P3, 3/16" slot, 1/4" slot)
- ✔ 1/4" hex power bits ideal for use in drills and impact drivers
- ✔ Rare earth magnet firmly holds working bit in shank
- ✔ Full size, solid handle offers superior comfort and maximum torque
