## DESCRIPTION **CSA Z94.3 RATED**

The Edge Nevosa was designed with the unique needs of mid- to high-volume safety glass consumers in mind. It can help save money by ridding the need for constant replacement of less durable safety glasses, plus help keep crews safer with its comfortable and easy-to-wear design.

## LENS DESCRIPTION

Clear Lens are the classic option for safety. With pristine clarity, they are an excellent choice for indoor and low light conditions.

Smoke Lens provide the perfect all-around tint for bright light conditions. This popular lens color blocks sun rays without causing color distortion.

## FEATURES

- Thermoplastic Rubber (TPR) on temple arms for comfort and anti-slip properties
- Lenses block 99.9% of UVA/UVB/UVC rays
- Wraparound frame for improved peripheral vision and protection
